

# SOCE016 Installation Instructions

|   |   |   |   |   |
|---|---|---|---|---|
|  |  |  |  |  |
| A*13  | B*36  | C*6   | D*6   | E*30  |
| 3.5CM self-tapping screw/minimum self-tapping screw                               |   | shaft   | Card column   | small nail  |

Kind tips:

Tighten it when you're all done!

installation steps:

Board name and serial number:

The serial number in the instruction manual is not a lack of boards, just check the serial number to install
