A high-angle shot shows a person in a grey jacket and dark pants kneeling on a light-colored floor. They are working on a grey metal frame that has several long, thin, yellowish-brown wooden planks attached to it. The person's hands are positioned to install a small, rectangular wooden baffle onto the frame. A small pile of screws is scattered on the floor nearby. The scene is brightly lit, and the focus is on the hands and the work being performed.

A close-up photograph showing a person's hands using a yellow-handled screwdriver to tighten a silver screw into a light-colored wooden plank. The plank is part of a larger assembly, likely a shelf, which is being attached to a black metal frame. The person is wearing a grey long-sleeved shirt. The background is a plain, light-colored floor.
